

(Regulations of the Fair Political Practices Commission, Title 2, Division 6, California Code of Regulations.)

§ 18707.7. Public Generally: Industries, Trades, or Professions.

Where a decision will affect an industry, trade, or profession in substantially the same manner as the decision will affect an official's economic interest, the industry, trade, or profession constitutes a "significant segment" of the jurisdiction only as set forth below:

(a) In the case of an elected state officer, an industry, trade, or profession constitutes a significant segment of the public generally, as set forth in section 87102.6 of the Government Code.

(b) In the case of any other official, an industry, trade, or profession constitutes a significant segment of the public generally if that industry, trade, or profession is a predominant industry, trade, or profession in the official's jurisdiction or in the district represented by the official. An industry, trade, or profession that constitutes fifty percent or more of business entities in the jurisdiction of the official's agency or the district the official represents is a "predominant" industry, trade, or profession for purposes of this regulation. For purposes of this subdivision, a not for profit entity other than a governmental entity is treated as a business entity.
